

<p>FILED CLERK, U.S. DISTRICT COURT</p> <p><i>Brian Warner et al. v Toyota Motor Sales, U.S.A., Inc.</i></p> <p>JAN 17 2016</p> <p>BY: _____ <i>vdr</i> DEPUTY</p>

To Whom It May Concern,

I am writing to let it be known that I object to the Proposed Settlement of Case No. 2:15-cv-02171-FMO-(FFMx). Or Brian Warner et al., v. Toyota Motor Sales, U.S.A., Inc., Case No. 2:15-cv-02171-FMO-FFM,

In said case the settlement is for three models of Toyota truck and SUV. The Tacoma, Tundra, and Sequoia. My objection is that the Tacoma and Sequoia settlement dates to 2005, while the Tundra only to 2007. My 2006 Tundra has a frame rusted enough to have bent when recently lifted by a mechanic to do work. This truck was built in the same factories as the 05/06 Tacoma and Sequoia by the same techniques. It shares the same flaws that have caused this settlement to have been reached. As such I feel that my vehicle deserves to participate in the settlement. Failure to be included in the settlement leaves me to assume that the entire settlement is unfair, and thus not legally valid.
